Subject: MMM&S Proposal to Lease with the option to purchase

I am objecting to the Board of Agriculture proceeding with or accepting any proposals for the lease option to purchase or lease MMM&S at the up coming hearing on March 31, 2016 without adequate advance notice and information regarding the process to follow for submitting a lease purchase offer or lease to MMM&S plant. I have looked at all the website links under the MMM&S site and sub links with the lease to purchase option notice and have found no information on how to submit a proposal to lease or lease with the option purchase the facility.
