SnowTRAC annual meeting scheduled for September 20

SnowTRAC annual meeting scheduled for September 20

(Anchorage, AK) – The public is invited to participate in the Snowmobile Trails Advisory Council (SnowTRAC) annual meeting from 9 a.m. to 4 p.m. on Sept. 20. The meeting will be held in Anchorage in Room 104 of the Atwood Building, located at 550 W 7th Ave.

The agenda will include review of grant applications and trail grooming requests, as well as discussion of various SnowTRAC issues. To participate by teleconference, call (866) 918-8374 and enter conference code 5569714090.

SnowTRAC consists of six members selected from across Alaska. The council advises the director of the Division of Parks and Outdoor Recreation on funding for eligible grant projects under the Snowmobile Trails Grant Program. This program is funded through legislative authorization to receive funds from snowmobile registration fees. These funds are used primarily to support snowmobile trail repair and maintenance, and also may be used for snowmobile safety and education projects.

If you are a person requiring special accommodations, auxiliary aid, or other special services to participate in the meeting, please contact State Trails Program Coordinator Darcy Harris at 269-8699 or darcy.harris@alaska.gov at least one week prior to the event in order to make the necessary arrangements.
