SUBJECT: ADF&G signature for the adoption of the Kodiak Area Plan

The Alaska Department of Fish and Game assisted the Alaska Department of Natural Resources in preparing the Kodiak Area Plan for State Lands. We appreciate the opportunity to represent fish and wildlife habitat, harvest and public use values during the development of the plan. The Department will use the plan as guidance when reviewing proposed uses of state lands in the planning area.

PREFACE

Background and Acknowledgements

The preparation of the Kodiak Area Plan was completed by the Alaska Department of Natural Resources with assistance from a number of representatives from agencies within and outside of the Department. The following representatives and contacts variously contributed text, edited, reviewed, and assisted in resolving issues with regard to the area plan. The project staff greatly appreciates their help and assistance. We are also indebted to Chester Murphy for preparation of the final maps and to Ruth Booth for checking, formatting, and indexing the text in preparation for printing.
