CHAPTER 1
INTRODUCTION ................................................................................................................. 1
  Background and Overview of the Purpose of the Plan .............................................. 1
  Description of the Planning Area .............................................................................. 1
  How the Plan is Organized ...................................................................................... 1
  What This Plan Will Do ...................................................................................................... 2
  Relationship of Fish Creek Management Plan to Other Plans .................................... 3
  How the Plan was Developed .................................................................................... 3
  Who Developed the Plan .............................................................................................. 3
  Summary of Plan Actions ............................................................................................ 3
  Summary of Plan Implementation and Modification .................................................. 4

PROJECT AREA FEATURES & USE ............................................................................. 5
  Land Ownership and Land Use in the Surrounding Area ........................................... 5
  Access to the Project Area ............................................................................................. 5
  Physical Environment .................................................................................................. 7
  Historical Uses and Heritage Resources ...................................................................... 9

CHAPTER 2
AREA-WIDE GOALS & GUIDELINES ............................................................................. 1
  Introduction .................................................................................................................. 1
  Definitions ..................................................................................................................... 1
  Area-wide Goals .......................................................................................................... 1
  General Planning Information ...................................................................................... 2
  Other State and Borough Land .................................................................................... 2

AREA-WIDE GUIDELINES ............................................................................................ 3
  Fish and Wildlife Habitat and Harvest .......................................................................... 3
  Forestry ........................................................................................................................ 6
  Heritage Resources ...................................................................................................... 10
  Public Recreation ......................................................................................................... 12
  Settlement and Agriculture .......................................................................................... 14
  Stream Corridors and Wetlands .................................................................................. 18
