This is a topographic map of Alaska, showing terrain features, elevation, and major water bodies. The map is overlaid with a grid. A thick black line outlines a large area in the western and central parts of the state, representing wilderness. A dashed line outlines a smaller area in the south-central part, representing an existing refuge. An inset map in the lower-left corner shows the Aleutian Islands, with labels for 'ALASKAN ISLANDS' and 'ALEUTIAN ISLANDS'. The map is titled 'BERING SEA' at the top left and 'CHUKOTKA SEA' at the bottom left. A legend in the bottom right corner provides information about the map's history and the symbols used for wilderness and existing refuge areas. A ruler is visible at the bottom of the page, showing measurements in inches and centimeters.
