****Average snow depth recorded is uncompressed.** Snowmobile openings are based on the snowpack's ability to protect underlying vegetation and include: depth measurements, snow density, wind loading, temperatures, forecast, terrain, topography, elevation, and snow base and ice conditions. River and lake **ice crossing safety is not implied** and at the risk of the individual.

Conditions update:

The Nancy Lake Parkway is plowed and open to the Redshirt Lake Trailhead.

The park will close to snowmachine use at dusk Sunday, April 21. Call ahead for updates 495-6212.

Temps are now above freezing. Use caution as overflow exists off packed trails, especially Lynx Lake, (north end) and Red Shirt Lake.

The lakes will be breaking up soon, watch for thin ice and recreate safely.

A \$5 day-use fee or annual parking pass is required at most trailheads throughout the park. Please respect private properties adjacent to park land. Please check the Alaska State Parks website at <https://dnr.alaska.gov/parks/asp/curevnts.htm> for current conditions, and for questions call 907-745-3975

All snowmobiles must have their current registration tags displayed when used on public lands.
