New

Renewal

Applicant Last Name: _____

AHRS users must request data exports by submitting this form to the AHRS Manager. The AHRS is a dynamic database that is updated daily with new information. It is highly recommended that users do not rely on data exports alone, but also check the AHRS routinely for the most up-to-date information.

1. This request for data export includes:

- Permission to export site location data through remote access
- Permission to export site attribute data through remote access
- One time data export for a specified geographic area
- Other Explain: _____

2. Please give a brief explanation of what you are using the exported AHRS data for and how you will store the data in a secure place with restricted access. Please list the USGS quads and/or MTRS(s) for which you need exported data. (use continuation sheet if necessary)

3. Individuals requesting data export have either:

a valid and current AHRS Individual User Agreement on file at OHA;

AND

My company or agency has a valid and current AHRS Corporate Agreement on file at OHA

4. Applicant Signature: _____ 5. Date: _____

6. Name: _____

7. Job Title: _____

8. Affiliation: _____

9. E-mail: _____
